Antimicrobial Protection film

Our Antimicrobial Protection film is perfect for trying to maintain a sanitised area and can offer protection and reassurance to any environment.

Offering protection for up to 15 years, they can be supplied pre-printed on any design, to be used on surfaces where hygiene is of particular importance such as Schools, Toilets, Catering Establishments, Offices etc...

The films are proven to protect from MRSA, E.coli, Listeria, Salmonella and Streptococcus plus many others... full list on request.

Can be provided as part (2 strips) or one larger strip. Bulk prices on request depending on quantity.

Sizes shown £55 per picture.

Ideal as a complement to other products and services in the Keepadistance.co.uk range. Please visit www.keepadistance.co.uk to place an order or for more information.
